Dear Dana,  
it's such a pleasure to hear from you  
I read the very nice presentation that you've prepared and it almost made me cry :)  
I just have a very small correction, the park in which we went it was not "Queen Margherita" but "Villa Ghigi" ;)

Kind regards,  
Francesco Tarantino

I hope you are well. We are back in school again and preparing things for the new school year. I still keep nice memories of my stay in Bologna, our activities, new friendships and beautiful places I visited.

Due to the Erasmus project I have to send you my short presentation about the Project. I kindly ask you to send me a confirmation email that you have received this mail.

Dear all,

Thanks again for taking part in the training, it was a great pleasure to meet and work with you in Bologna. I apologize for the delay in sending you this mail, unluckily the last week has been incredibly intense.

As promised please find at [this link](#) all the presentations and supporting materials used during the course as well as a selection of the photos taken. Please mind that the materials will be available for about 6 months. We're deleting them regularly, so do not wait too long before downloading them. Shall you need any further document or information please feel welcome to contact us.

Furthermore, we will prepare a video with photographs and videos collected during the lessons and activities. As soon as it is ready, we will send you the link.

We wish you all the best and we hope to meet with you in the future!

Kind regards,  
Francesco Tarantino
