# Zaslanie prezentácie vysielajúcej organizácii

The screenshot shows a Gmail interface with a purple theme. The email is titled "Course in Europass teacher academy" and is from Irena Suchterová (irena.suchterova@gmail.com). The subject line is "Course in Europass teacher academy". The email content reads: "Dear Sir or Madam, Last summer, my colleagues and I were attending a course in Europass teacher academy. Since the Erasmus+ participants are required to share the presentations with the hosting institutions, I, as the deputy head teacher, am sending you our presentations in attachment. Due to the size of the presentation files I will send them in different emails. The emails will contain the presentations of the following participants of the course: - Alena Panisová - Irena Suchterová I will be very grateful to you if you could send me a confirmation mail. Thank you in advance. Best regards, Irena Suchterová". The email is marked as "unread" and "important". The left sidebar shows the "Odoslané" (Sent) folder selected, with a list of other folders like "Doručené", "Odložené", "Dôležité", "Koncepty", "Kategórie", "Sieťe", "Meet", and "Hangouts". The bottom of the screen shows the Windows taskbar with the search bar and various application icons.

This screenshot shows the same email from Irena Suchterová, but now with two attachments. The email content is the same as in the previous screenshot. The attachments are: "European Teacher Academy Florence" and "Can We Talk? Discussion Tools for Teaching and Learning". The first attachment is a PDF document, and the second is a presentation slide. The email is now marked as "read". The left sidebar and bottom taskbar are the same as in the previous screenshot.
