**How does reading help you learn the language?**  
 Reading will help you to develop a sense of which words are best used in which situations. Slight variations in nuance will become clearer the more you read English. It is helpful to slowly explore different situations and contexts through your reading so that you are exposed to more vocabulary.

**Can reading in English improve your focus?**  
 It can improve your focus and memory. It can help you learn new words and teach you things you didn't know. People read to relax, to learn or just to have fun. But reading in English can be difficult if you're still learning the language. It can be really tough if you're trying to read material that's too hard for you.
